---

### **P2 Emulsions - Booth 501**

Manufacture asphalt emulsions for road stabilization, prime, chip seals and road over coats/sealers.

516 S. McLennan Loop  
Elm Mott, TX 76640  
(254) 829-0330  
[www.p2emulsions.com](http://www.p2emulsions.com)

---

### **Rock Asphalt - Booth 307**

Bag Asphalt for pothole repair.

3 FM 1403  
Uvalde, TX 78801  
(210) 316-4804  
[www.rockasphalt.com](http://www.rockasphalt.com)

---

### **TransTech Systems, Inc. - Booth 201**

TransTech Systems are the originators of the non-nuclear asphalt density gauge who for 30 years have been developing the technology to provide real-time, in place asphalt density on soil and asphalt pavement. The current models produce quick, repeatable density data without any of the restrictions and licensing requirements needed for a nuclear density gauge.

900 Albany Shaker Road, Ste. 2  
Latham, NY 12110  
(518) 370-5558  
<http://transtechsys.com/>

---

### **Vulcan Materials - Booth 303**

The nation's largest producer of construction aggregates, a major producer of other construction materials including asphalt and ready-mix concrete.

6301 East Hwy 80  
Abilene, TX 79601  
  
[www.vmcmail.com](http://www.vmcmail.com)

---

### **Wright Asphalt Products Company - Booth 606**

Leading the way in Tire Rubber Modified Asphalt Cement Technology.

315 E River Oaks Rd  
Early, TX 76802  
(713) 817-3540  
[www.wrightasphalt.com](http://www.wrightasphalt.com)

---

## **Association**

### **Cement Council of Texas - Booth 301**

The Cement Council of Texas promotes the proper use of cement and concrete in pavements, infrastructure, buildings, homes, and other construction applications. We are the non-profit trade association of portland cement manufacturers and shippers in Texas.

The CCT promotes cement and concrete solutions to engineers, architects, contractors, owners, community leaders, and other stakeholders in targeted markets. Additionally, we educate the public about the economic, performance, and sustainability benefits of cement and concrete. We do this through communication, education, and technical service by our highly skilled staff of industry professionals.

1820 Harwood Court  
Hurst, TX 76054  
(817) 281-6799

---

### **Lime Association of Texas - Booth 106**

The Lime Association of Texas (LAT) represents the collective interests of an industry with a long history of service to the State of Texas. Quality, integrity and responsive action to the customers and governmental agencies of Texas are the hallmarks of the LAT mission. The member companies engage in the manufacture of high quality lime products and guide the efforts of the industry through participation in the LAT to the benefit of the end users of lime. Lime is one of man's oldest and widely used chemicals. The focus of the LAT is the promotion of lime in pavement construction and soils improvement along with many other uses in the environmental, industrial and public sectors. Contact the Lime Association of Texas for information about our programs or for any questions regarding LIME... MAN'S MOST VERSATILE CHEMICAL.

400 Stone Creek Ridge Dr.  
McGregor, TX 76657
