
JOB POSTING

To: DEPARTMENT HEADS/ELECTED OFFICIALS/EMPLOYEES/PUBLIC
From: HUMAN RESOURCES DEPARTMENT
Subject: EXTENDED JOB POSTING – COUNTY ENGINEER
Date: 12/28/2023

The Human Resources Department is currently accepting applications for a County Engineer with the Comal County Road Administration Department. Interested public and all county employees may apply by clicking on the following link: www.COMALJOBS.com. Job qualifications are listed below:

POSITION TITLE: County Engineer

JOB SUMMARY: Under general supervision, the County Engineer designs, estimates, constructs, organizes, and communicates in line with regulations and technical policies. This individual administers and operates the county road department system and administers the county's development regulations, including, on-site sewage facility permitting, subdivision regulations, flood plain regulations, and addressing.

QUALIFICATIONS: **Individuals must be a State of Texas licensed professional engineer experienced in road construction and maintenance and, in addition, meet the qualifications required by the Texas Department of Transportation for its district engineers.*

High School Diploma or GED equivalent required. Bachelor's degree (B.S.) from a four-year College or university; a minimum of ten (10) years' experience in road construction and maintenance and administration skills. Requires the ability to plan, coordinate, supervise, and review the work of a large crew of skilled and unskilled workers. Requires a thorough knowledge of road, bridge, and drainage system construction and maintenance normally gained through extensive and varied experience in the field.

SALARY: Pay Group E20 \$139,314.41 - \$198,324.61/annually

CLOSING DATE: Extended - Wednesday, January 31, 2024

APPLICATIONS ARE MANDATORY AND AVAILABLE ONLINE
