2023 Discussion

FUTURE FUNDING

- 2023-We funded and additional \$5,000 to each school endowment
- 2024-Very likely additional funding either to each endowment again or other schools

Summary

- Increased endowments from \$150,000 to \$180,000 in 2023
- Good standing financially to possibly add additional funding to existing endowments or new schools-pending Board discussions and/or approval
- Annually provide you updates on scholarship amounts and recipients
